

Bundles of Joy's

Spare-A-Dollar Scholarship Drive

We can make your spare change go a long way...

Many children from squatter villages in the Philippines have no access to education at all...

But your donation of just \$1.00 will help provide tuition, school supplies and daily meals to needy children in the Philippines.

Spare a dollar, and together, we can build a brighter future for the Philippines' youth, one child at a time.

Bundles of Joy is a nonprofit organization based in Foster City. Our mission is to help needy families in the Philippines by providing for their basic needs (e.g. food, clothing, medicine) and by creating a brighter future for their youth through improved education.
