

Bundles of Joy's

Spare-A-Dollar Scholarship Drive

We can make your spare change go a long way...

How to Start a Spare-A-Dollar Scholarship Drive:

1. Distribute flyers to friends, family, neighbors, schoolmates, community members and officemates.
2. Make posters and get permission to post them in prominent places at your school, work, local businesses, supermarkets, coffee shops, churches and any other place where people gather.
3. Spread the word about the program:
 - Bundles of Joy is working with an elementary school in Metro Manila where \$300 will send 1 squatter child to school for a school year. These are children who have no other access to education. Each sponsored child will receive a free education, uniforms, books, school supplies and 2 hot meals a day. For some of these kids, this will be the only food they will eat in a day.
 - Ask each person to make a \$1 donation to sponsor a needy child in the Philippines. If enough people give \$1, we can make a big difference.
 - Spare a dollar to change a child's life.
4. Collect dollar bills and remit them to Bundles of Joy.
 - Mailing Address: P.O. Box 8207, Foster City, CA 94404
